

## Invitation

### Biotechonomy. Social, Economic and Environmental Sustainability of Biofuel Production

We are inviting you to **Riga Technical University** in Riga, **Āzenes iela 12/k1 – 607** lecture room to **lecture – discussion** on **28th January 2016**.

**Lecture - discussion language:** in English

To register please go there: <http://goo.gl/forms/WLHWfQtdBL>

11:00 – 11:15	Introduction with research in Institute of Energy Systems and Environment <i>Dr. Dagnija Blumberga, RTU professor, Director of Institute of Energy Systems and Environment</i>
11:15 – 12:15	Social, Economic and Environmental Sustainability of Biofuel Production Both impact assessments (which consider the economic, social, and environmental impacts of technology as well as eco-physiology), and life-cycle assessments (which calculate net energy consumption and emissions for various processes) <i>Dr. Donald L. Smith, James McGill Professor, Director and CEO, BioFuelNet Canada</i>
12:15 – 12:40	Coffee break
12:40 – 13:30	Round table discussion <i>Dr. Donald L. Smith, Dr. Edgars Vīgants (Latvian Bioenergy Association)</i> <i>Dr. Dagnija Blumberga (Institute of Energy Systems and Environment RTU)</i>
