

## ABOUT META GROUP

META Group is an international advisory and investment firm dedicated to the creation and nurturing fast growing companies. META combines venture capital fund management, entrepreneurial mentoring and innovation consultancy into an integrated Platform for transforming knowledge in to growth.

META Group provides service to public and private players committed to fostering regional competitiveness; entrepreneurs keen to start up or further develop their companies; researchers interested in exploiting their results. The company's main activities include innovation and entrepreneurship policies, management of early stage funds, research results exploitation, support to start-up creation, access to finance. The company has also a long-lasting experience in setting up financial instruments and in promoting access to finance.

META designed and implemented regional innovation and entrepreneurship strategies in over 30 EU regions with over 300 clients served including European Commission and Development Banks, governmental organisations and entrepreneurs. Most of the projects carried out involve an international dimension with multiregional partnerships. The Group has offices in Belgium, Italy, Poland and Slovenia.
