

A new academic year has just begun. From the BALTECH Secretariat we hope that the BALTECH-NORDTEK Joint Conference 2012 was rewarding and that it was an opening for further cooperation between the Baltic and Nordic Technical universities.

### **The Joint Statement of NORDTEK and BALTECH**

The Joint Statement of NORDTEK and BALTECH is attached.

The documents from the BALTECH-NORDTEK Joint Conference 2012 can be found on [www.ttu.ee/nordtek-baltech](http://www.ttu.ee/nordtek-baltech)

There you can also find an evaluation of the conference. The overall judgment is very positive.

### **BALTECH Rectors meeting protocol**

The protocol from the June 18, 2012 BALTECH rectors meeting is enclosed

### **The BALTECH Scholarship and ÅF Grant, announcement and deadline**

Please be reminded that the **next deadline** for the BALTECH scholarships and ÅF-Grant is **October 15**, 2012.

**Kindly ask all international relations departments and student unions to make the announcement internally.** Please note that priority is given to inter-BALTECH university mobility, and that Aalto University is no longer a member of BALTECH.

The ÅF Grant will be announced for the last time, unless ÅF extends it into 2013 as well.

### **BALTECH Board meeting, Vilnius, November 8, 2012**

The next BALTECH board meeting will take place in Vilnius in Thursday November 8, 2012, at 13.00 hrs.

Ask all board members to make a note in the calendar!

## **Master Program officers meeting, Stockholm, December 6, 2012**

BALTECH will arrange a staff meeting for program officers of the BALTECH master programs Industrial Engineering and Management/Environmental Management and Cleaner Production. The meeting will most probably take place at KTH on December 6, 2012. Kindly ask the board members to inform the program officers at each university about the event.

## **Administrative staff meeting**

The next administrative staff meeting will take place in early 2013. We will revert on topic, location and time.
